To whom it may concern

30.10.19 Ref. No. 01-10/5385

Yr. Ref. _____ dated _____

On behalf of the V.I. Vernadsky Crimean Federal University, let me express deep respect and inform about following.

From December 16 to December 19, 2019 the V.I. Vernadsky Crimean Federal University will host the National Engineering Competition (hereinafter - NEC). NEC is a system of annual professional competitions to identify the best representatives among students and graduate students studying in engineering areas of training. Since 2019, NEC has become the main engineering event of the Ministry of Science and Higher Education of the Russian Federation.

International cooperation is an integral part of our University. We will be glad to see representatives of your organization in Crimea as part of the upcoming event. The participants can be engineering areas students having an engineering project or work ready for implementation, as well as teachers and representatives of the University as experts.

Costs related to transport, accommodation, meals and participation in the competition are covered by the organizers of NEC. You can find more detailed information about the competition, conditions of participation on the official website of the University <http://vik.cfuv.ru>

Applications for participation are accepted until November 29, 2019 to the email address vik@cfuv.ru

Organizational committee contacts:
